We are pleased to announce that we are upgrading
Our Business Center with a new **Color** Machine
for all of your copying/printing/scanning/faxing needs!

No More Hassles!

- Paper will be supplied for you.

- Available when you need it.

- Turn your “B” reports into “A”s by adding color to your presentation.

- No need to carry cash, the machine accepts most major credit cards.

- Instead of buying packs of paper for the printer, you will be charged only \$.05 per black and white copy.

- Color copies are only \$.50 each versus local copy stores where color copies are closer to \$1 each.

- Coming Soon!*
